Overview

THE KANBAN BOARD
APPLICATION SIMPLIFIES TASK
MANAGEMENT AND PROMOTES
TEAM COLLABORATION
THROUGH VISUAL WORKFLOWS

KEY FEATURES :

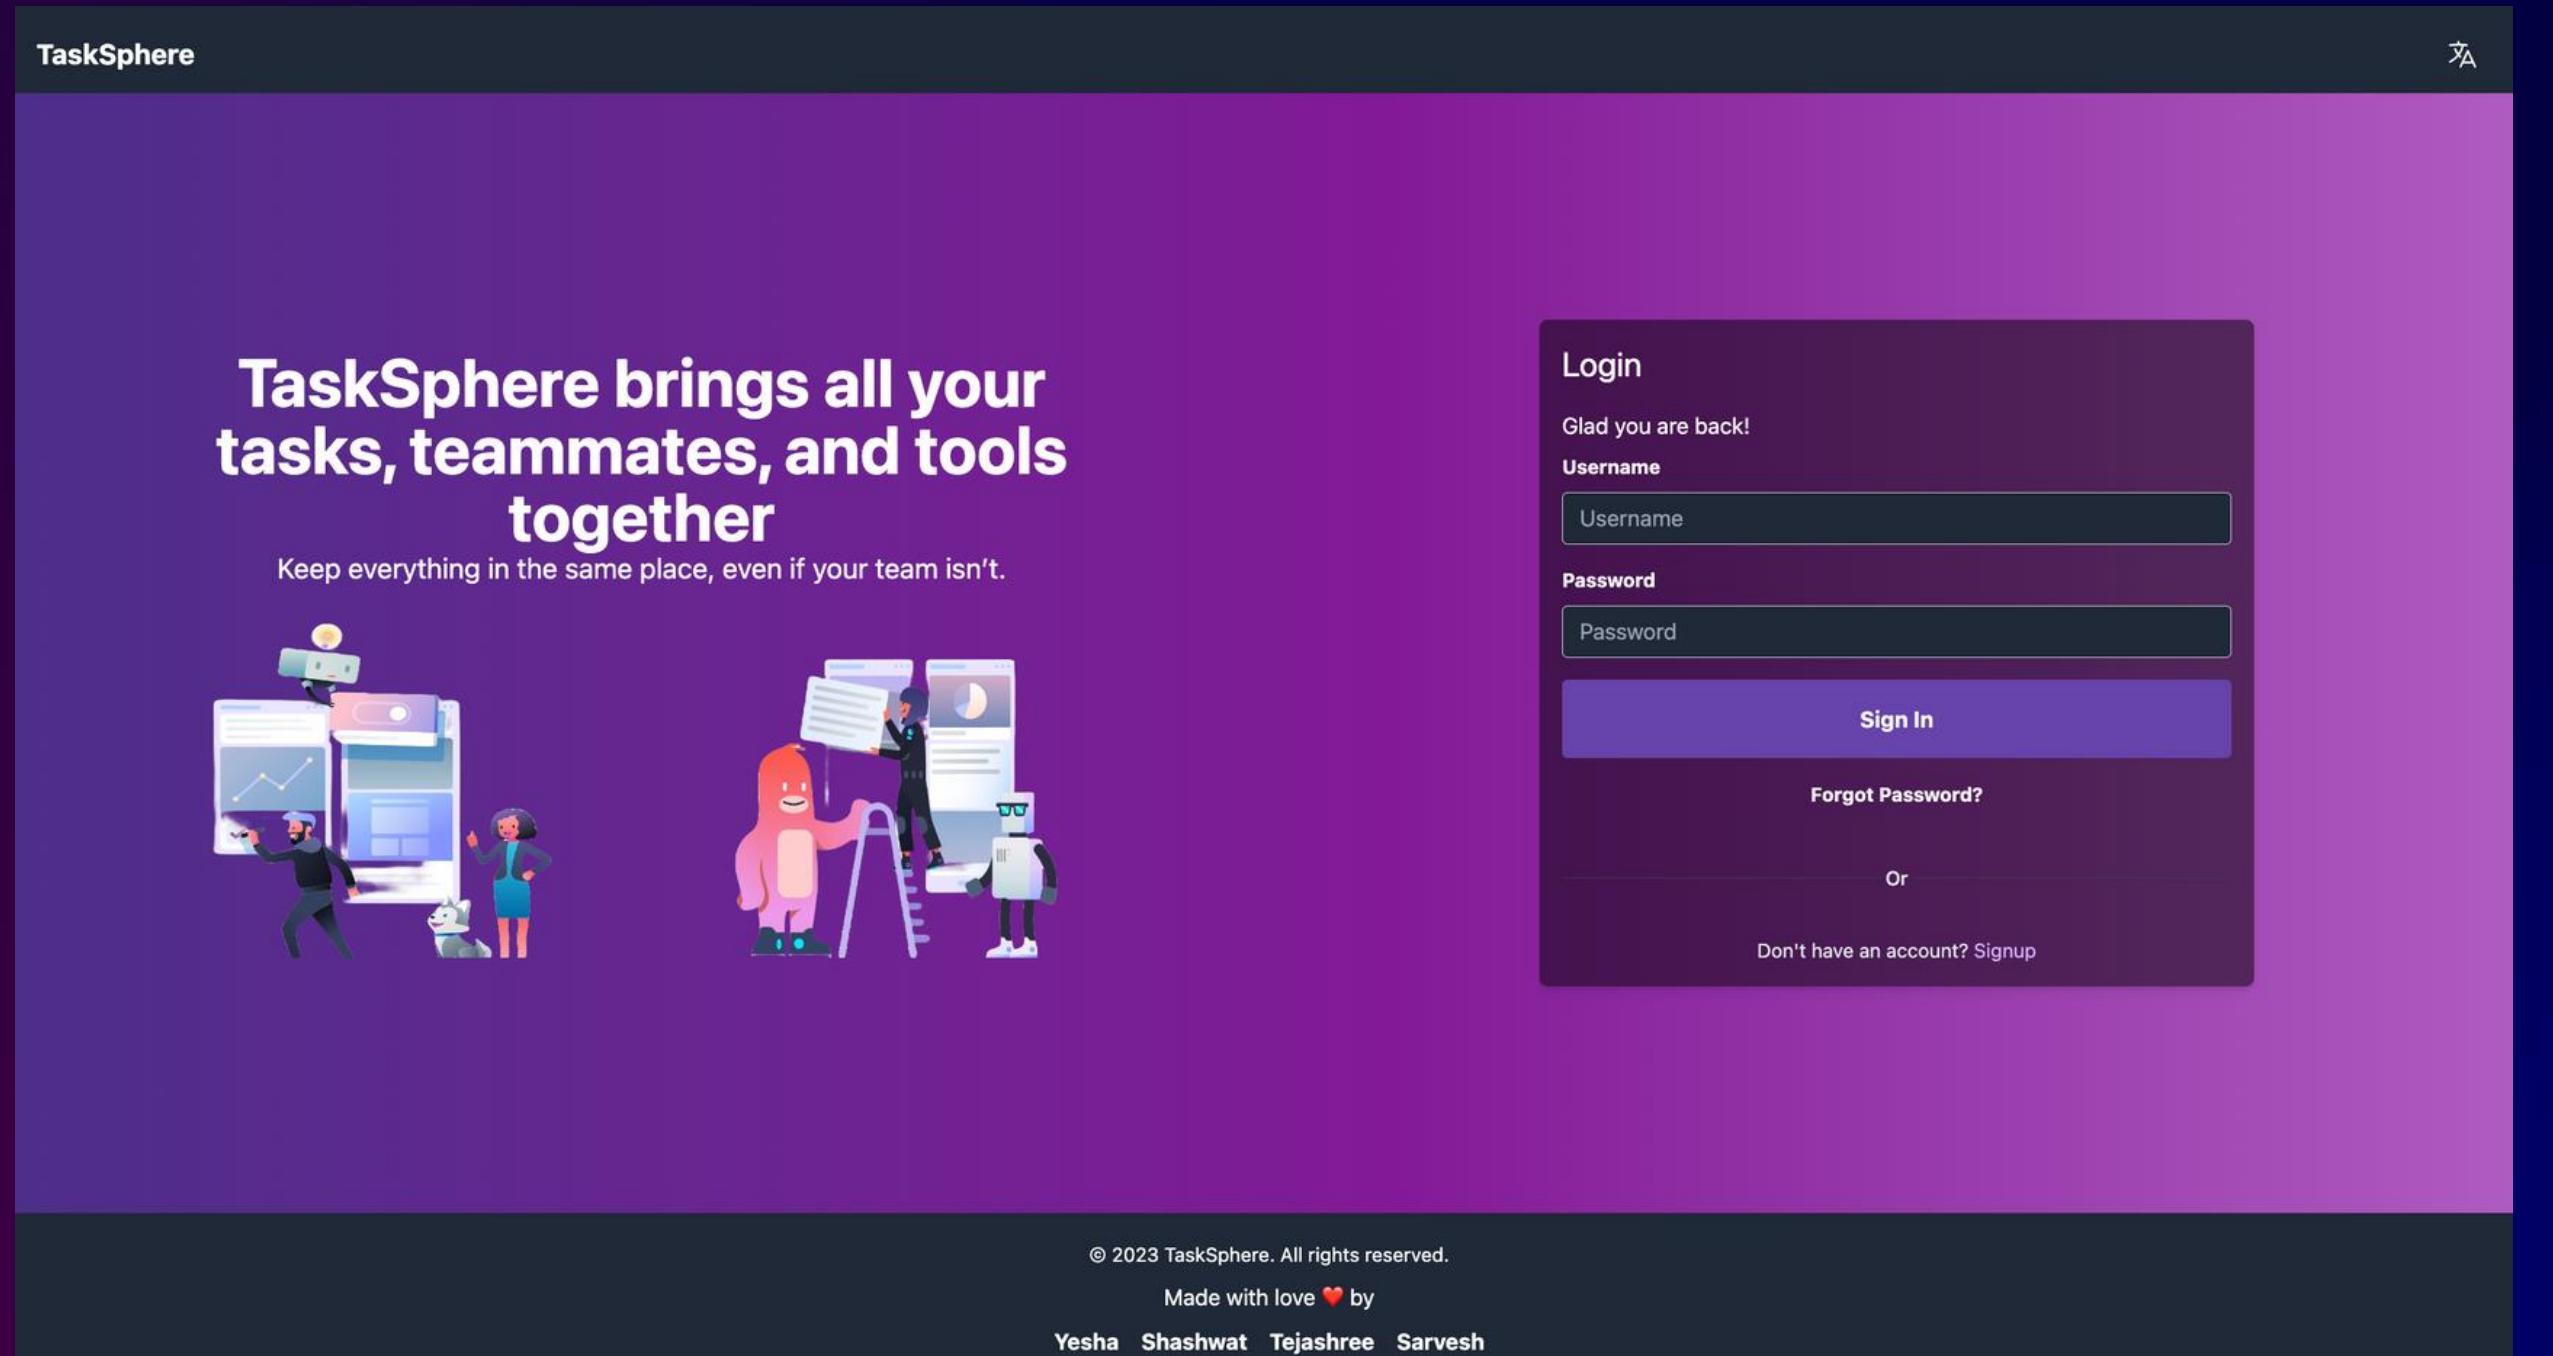

- TASK MANAGEMENT
- COLLABORATION
- DRAG-AND-DROP INTERFACE
- ANALYTICS AND INSIGHTS
- LANGUAGE TRANSLATION

TECHNOLOGIES USED

SCREENSHOTS

Login Page

The screenshot shows the TaskSphere login page. At the top, there's a dark header bar with the "TaskSphere" logo on the left and a search icon on the right. Below the header is a large purple banner featuring the tagline "TaskSphere brings all your tasks, teammates, and tools together" in white text. To the right of the tagline, there are two small illustrations: one showing a person working on a large screen displaying a graph, and another showing a person climbing a ladder to reach a high shelf where a robot is standing. Below the banner, the main content area has a dark background with a central light-colored login form. The form includes fields for "Username" and "Password", a "Sign In" button, a "Forgot Password?" link, and a "Don't have an account? Signup" link at the bottom. At the very bottom of the page, there's a footer bar with copyright information and developer credits.

The screenshot shows a clean, modern login interface for TaskSphere. It features a dark header with the "TaskSphere" logo and a search icon. Below the header is a large, bold "Login" heading. A message "Glad you are back!" is displayed above the input fields. The form includes "Username" and "Password" fields with placeholder text "Username" and "Password". Below the fields are "Sign In" and "Forgot Password?" buttons. A horizontal line with the word "Or" separates this from a "Don't have an account? Signup" link. The overall design is minimalist with a purple-to-white gradient background.

Add New Task

A screenshot of a dark-themed Kanban board application. The main interface shows a single column titled "To Do" with one card: "Buy Groceries". A modal window titled "Add New Task" is open over the board. The modal has fields for "Title" (containing "Buy Groceries"), "Description" (containing "From Stop n Shop"), and a "Subtasks" section containing two items: "Buy eggs" and "Buy milk". There is a button "+ Add New Subtask" and a "Create Task" button at the bottom. The board also features a "Status" dropdown set to "To Do", a "New Column" button, and a "Done" button at the top right of the modal.

A screenshot of a dark-themed Kanban board application. The main interface shows a single column titled "To Do" with one card: "Buy Groceries". A modal window titled "Add New Task" is open over the board. The modal has fields for "Title" (empty) and "Description" (empty). A "Subtasks" section is present with a button "+ Add New Subtask". Below it is a "Status" dropdown menu with "To Do" selected. At the bottom are "Create Task" and "View Board's Insights" buttons, along with a "Create A New Board" button at the very bottom.
